**The Harding Group Joins the Mimosa Advantage Partner Program as Authorized Reseller to Deliver Industry's Most Advanced Content Archiving Solutions**

**Santa Clara, Calif. and Coppell, TX — April 1, 2008** — Mimosa Systems, the leader in Live Content Archiving solutions, announced today that The Harding Group, who delivers award-winning information technology solutions, has joined the Mimosa Partner Advantage Program. As an authorized Mimosa reseller, The Harding Group will deliver Mimosa™ NearPoint™ for Microsoft® Exchange Server, a next-generation email archiving solution that delivers archiving, eDiscovery, recovery, disaster recovery, and storage management in a single integrated solution

“In today’s environment of ever growing email usage, corporations are struggling to manage and administer email policies and procedures to meet regulatory compliance and litigation preparedness” said Ron Verner, president of The Harding Group. “It is an exciting opportunity to add a continuous data protection content archiving solution for Microsoft’s Exchange platform to The Harding Group’s offering.”

“Organizations are demanding solutions to manage the explosion of user driven information and the ever-increasing requirements of legal discovery and compliance. By adding NearPoint to their product portfolio, The Harding Group will be able to meet these growing demands with the industry’s most advanced email archiving solutions,” said Christophe Culine, senior vice president of sales of Mimosa Systems. “With more than 13 years of expertise as an innovator in the area of technology, The Harding Group is a fantastic addition to our partner program.”
